Ryan Heflin

AGE: U15 / U15 / 18 players

Defending

DURATION: 75 min

PIWIS2 E1 3 v 5 Defense

OBJECTIVE: Force the 5 to play into the center

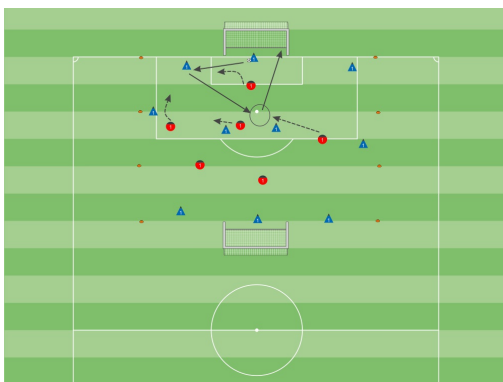

ORGANIZATION: Underloaded defense 3v5, attempting to work together to cut off space in the field to even out the numbers. Defending players get a goal every time the opponent plays the ball in the air or they win the ball. Attacking players get a goal every 8 passes.

KEY WORDS: Pressure Angle, Make Predictable, Pressure/Cover, Communicate

GUIDED QUESTIONS: Where do you want to force the opponent? With what speed do you want to close them down? How do we win the ball back - 1v1 or intercept?

ANSWERS:

NOTES:

PIWIS2 E2 Rondo Press to Goal

OBJECTIVE: Dictate offensive movement to win the ball back and score

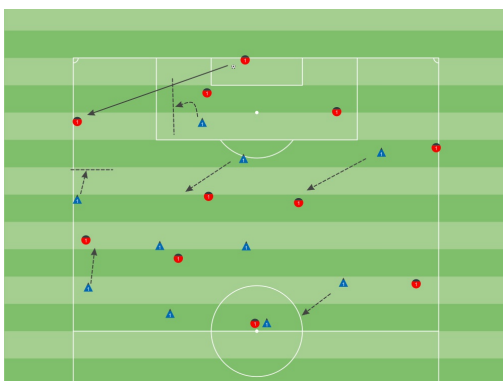

ORGANIZATION: 2 Goals, Field Divided into 3rds. One team always on offense, one always on defense. 8 vs 6 with gks. Defensive team tries to win it back and score immediately. Attacking team possesses, 8 Passes is a goal.

KEY WORDS: Cut off the line, force centrally, step together, marks, communicate, don't dive

GUIDED QUESTIONS: Where do we want to force the opponent? When do we step?

ANSWERS:

NOTES:

PIWIS2 E3 Offense vs Defense (Defensive Pressing)

OBJECTIVE: Force Opponent Centrally

ORGANIZATION: Offense vs Defense with 3 Lanes (call back to previous attacking session), Midfielders say when to trigger press

KEY WORDS: Cut off the line, force central, delay, pressure/cover

GUIDED QUESTIONS: Where do we want them to play it? How can we make it predictable?

ANSWERS:

NOTES:
