

5 v 5 + 5 Possession Transition Game

OBJECTIVE: Transition Quickly

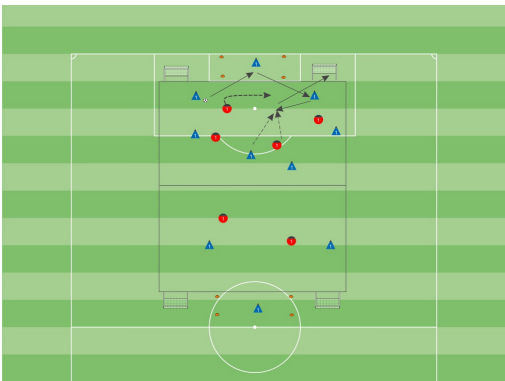

ORGANIZATION: 3 teams in a large rectangle/square. 1 team is always neutral with 4 or 5 players - 1 on each end, 2 or 3 in the middle. Other in-possession team is around the outside. Defense in the middle. Simple possession. As soon as one team loses possession, they immediately collapse directionally from the outside. The team that remained needs to play

NOTES:

P1W1S3 E2 Two-Half Possession/Transition Game

OBJECTIVE: Who can transition more quickly?

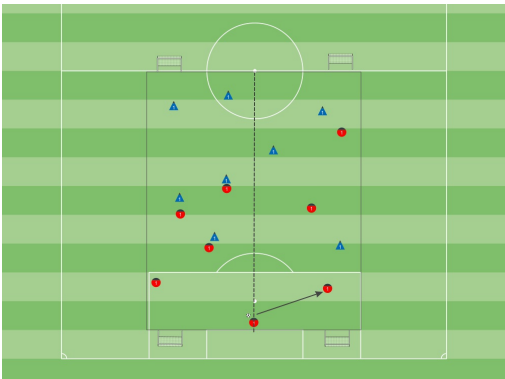

ORGANIZATION: 6v4 in each half (2 attackers/defenders or more transfer over if needed) with gks in unpressured box to provide support. Defensive team wins the ball and scores in either of the two small goals or plays to the keeper's hands for a goal. Attacking team completes 8 passes and switches the field for a goal

KEY WORDS: Communicate, press, cover, force, cut off the line. Play quickly, find space, control.

GUIDED QUESTIONS: Where is the space? How can we force the opponent to play where we want them to play?

ANSWERS:

NOTES:

4 Goal Switch Play

OBJECTIVE:

ORGANIZATION: Two groups in a longer, narrow field. 4 Goals, which half do we attack.
